EXPERIMENT

# Harvest and Extraction of ORCA-AAV Preparations

| BRANCH | DATE | EXPERIMENTER |
| --- | --- | --- |
| AAV | 2026-10-03 | Hansen Zhang |

## Experimental Summary

The GFA-ORCA-AAV and CMV-ORCA-AAV packaging cultures were harvested and processed to recover the virus preparations.

## Results

The recovered preparations were retained for the genome-qPCR measurement performed on 12 October.
