EXPERIMENT

# Cell Seeding for the ASO Assays

| BRANCH | DATE | EXPERIMENTER |
| --- | --- | --- |
| ASO | 2026-09-27 | Hansen Zhang |

## Experimental Summary

Cell cultures were seeded for the mCherry and separate ORCA/APOE4 ASO assays before the plasmid transfections recorded on 28 September.

## Results

The seeded cultures entered the plasmid-transfection and pre-dose baseline workflow.
