EXPERIMENT

# HEK293T Confluence Check and Medium Change

| BRANCH | DATE | EXPERIMENTER |
| --- | --- | --- |
| Fundamental | 2026-08-02 | Xiaoyu Que |

## Experimental Summary

The HEK293T culture was examined microscopically, its medium was replaced, and culture continued for a further 24 h.

## Results

The cells were approximately 50% confluent at the time of the medium change.
