EXPERIMENT

# Failed Reporter Reconstruction Attempt

| BRANCH | DATE | EXPERIMENTER |
| --- | --- | --- |
| Reporter | 2026-09-03 | Hansen Zhang |

## Experimental Summary

Reporter reconstruction included gel electrophoresis, DNA recovery, homologous recombination, transformation and plating.

## Results

This construction attempt failed.

PROTOCOL

M02: Agarose Gel Electrophoresis and Gel Extraction

M04: Homologous Recombination

M05: Transformation & Plating
